

CITY OF WASKOM
CONSTRUCTION/BUILDING PERMIT APPLICATION
ORDINANCE #280
(APPLICANT MUST COMPLETE ALL OF PAGE 1)

Name of Applicant _____

Business Name of Applicant _____

Mailing Address _____

Phone# _____ Cell# _____

Physical Address of Proposed Construction/Building _____

Type of Structure _____ Commercial or Residential (Circle One)

Proposed date of beginning of construction or placement of structure on location _____

(MUST RECEIVE VALID PERMIT BEFORE THE BEGINNING OF ANY CONSTRUCTION OR DEVELOPMENT)

I affirm that I have read and understand Ordinance#280 requiring construction/building permits in the City of Waskom. I understand that a permit fee of **\$50.00** must be paid before the City will issue a permit. I agree to allow the City of Waskom to inspect the site at the above location at their convenience before permit is granted. **I understand construction must begin on or before the 30th day after the permit is granted. If a permit herein is granted, but construction has not begun on or before the 30th day, the permit expires and a new permit must be issued by the City.**

I understand that it is my responsibility to contact all parties that may have lines, pipe or other objects running under or through the property where structures are to be built or placed. Calling **DIGTESS at 1-800-344-8377 or 811** for underground utility location requests will help in determining line locations.

I understand that if the location of development is in, or in close proximity to, a floodplain, that a floodplain development permit may be required and additional fees may apply.

I understand that the building/construction area is to be clearly marked and that an approved copy of this permit shall be kept on site and available for viewing by the City of Waskom representatives at all times.

By issuing of the permit, the City of Waskom assumes no liability for damages to person or property, for any reason associated with the placement, construction, or locations of any structure.

I understand that no City of Waskom utilities will be furnished until a valid construction/building and/or floodplain development permit(s) have been granted.

I understand that prior to any permit being issued by the City of Waskom for the renovation of demolition of a public or commercial building, I must provide the City of Waskom with the asbestos survey in compliance with **Texas Administrative Code, Chapter 295, Subchapter C, Rule §295.34, Asbestos Management in Facilities and Public Building.**
